

Temporary Fee Waiver Application - Long Term Injury or Sickness

A player is eligible for a temporary fee waiver if he or she has sustained a long term injury or illness. TSC defines a long term injury or illness as the inability to participate in any on field activities for more than 45 days. In order to receive a fee waiver, members must complete the following application and submit a medical report signed by the diagnosing Physician. The application and medical report must be turned into the TSC offices or emailed to brandy.g@tennesseesoccerclub.org. Once received by the office registrar, parents will be notified via email of any fee adjustments.
